Dear Mr. Pastryk:

We would like to congratulate Liberty Valley Doors on being selected as a recipient of the *2009 Business Environmental Alliance Best Practices Award*. The Cotati Chamber & SCWMA have jointly nominated your organization for your strong environmental business practices and commitment.

The awards ceremony will take place at the 8th Annual BEA Business Leaders' Breakfast at the Doubletree Hotel on Friday, February 27, 2009 from 7:30 to 9:30 a.m. The Breakfast will highlight the current and emerging trends in environmental practices and spotlight your business's savings from improved environmental practices. For an agenda and more information: www.sonoma-county.org/events.htm.

One breakfast and seat will be provided for you at no charge; however, do let us know whether you will be able to attend to receive your award (or let us know who will be receiving the award in your place). We encourage your organization to coordinate with the Cotati Chamber & SCWMA about possible table arrangements at the Breakfast. We also ask that your firm complete the attached short response form regarding your organization's environmental practices. Please respond by **February 20, 2009**.

We look forward to seeing you at this event, and congratulate your business on your environmental achievements.

Yours sincerely,
